

# MOVING MADE EASY

An independent family business with decades of experience.

- Home sale preparation
- Downsizing and sorting
- Reorganisation project
- Packing and unpacking
- Relocation to a new home
- Estate closure and dispersal
- Plus so much more!

***“Let us take the stress and hassle off you and your family”***

- We are an independent family company who specialise in working with older people and those who are pressured for time, offering a bespoke and individually tailored service to meet your specific needs.
- We have decades of experience in pre-home sale preparation, reorganising and downsizing, packing and unpacking, and relocating both nationally and internationally.
- We pride ourselves on delivering a superior quality service at the highest possible ethical level. What you need is what we do, we are your complete solution.
- We are an eco company and believe in paying-it-forward for our clients and the local community. We are proud to be based on the beautiful North Shore and work across the whole of Auckland and beyond.
